Investment Adviser Representatives may also refer clients and prospective clients to a separate disclosure document that the client has or will receive that sets out a more detailed explanation of the material risks of investment strategies or methods of analysis that are or will be used to manage the client's account.

## **Item 6**     **Supervision**

Clients complete an Investment Policy Statement (IPS) as part of their Investment Advisory Agreement which they acknowledge and sign. The Investment Adviser Representative (IAR) relies on this information when providing advice and services to the client. It is the client's responsibility to inform their IAR when their financial profile, goals, or objectives change.

The firm employs automated account supervision processes to identify potential variations from the clients' stated goals and objectives stated in the IPS.
